### Increase in Price of Paper Delayed, But for Month Only

A telegram notified The Star over the week-end that the increase in the delivered price of newspaper scheduled to take effect Feb. 1 has been postponed. Postponed one month, that is. The increase will take effect March 1—and that will be the final word, judging from past experience in the paper market. Every paper hike is accompanied by a lot of haggling and switched quotations between the mills—which eye each other like hawks. But eventually they come up with a common price, the same no matter which mill you buy from.

And that is precisely what has just happened. The current bulletin from Southern Newspaper Publishers Association, Chattanooga, reports that the big producers in Canada which originally announced an increase of \$8 a ton have rolled it back to \$5 or \$5.25 a ton for U.S. delivery.

One disturbing factor was the fact that for sales in the United States the U.S. Price Commission had set a limit of \$5.25 increase. But none of this helps the average small-town paper. The climb in paper prices the last four years has been fantastic, and apparently is going to continue unchecked.

Back in 1968 we were buying at a delivered price of \$143 a ton. It was hiked \$4 Jan. 1, 1969, another \$4 Jan. 1, 1970, and \$7 April 1, 1971, with another \$5 due this March 1.

That's a rise of \$20 from \$143 to \$163 a ton—or 14.1 per cent in four years.

And since Canada produces 90 per cent of the paper U.S. newspapers consume I don't see how our government can do anything about it. You can't publish a newspaper without paper to print on, and if the Canadian mills don't like price-fixing as practiced in the United States I can assure you you won't get the paper.

But, you say, don't you get your paper from Luffkin, Texas? That's true. But the first economic fact of life in the paper business is that wherever your mill may be situated you ally yourself with every other mill on the continent.

Why? Well, any mill may find production halted by a strike or a fire, and it's up to the mill management to see that its hungry newspaper customers are taken care of by the other mills which are still running.

If I seem to know a whole lot about a complicated market pattern I assure you it's because I learned about it the hard way—by experience.

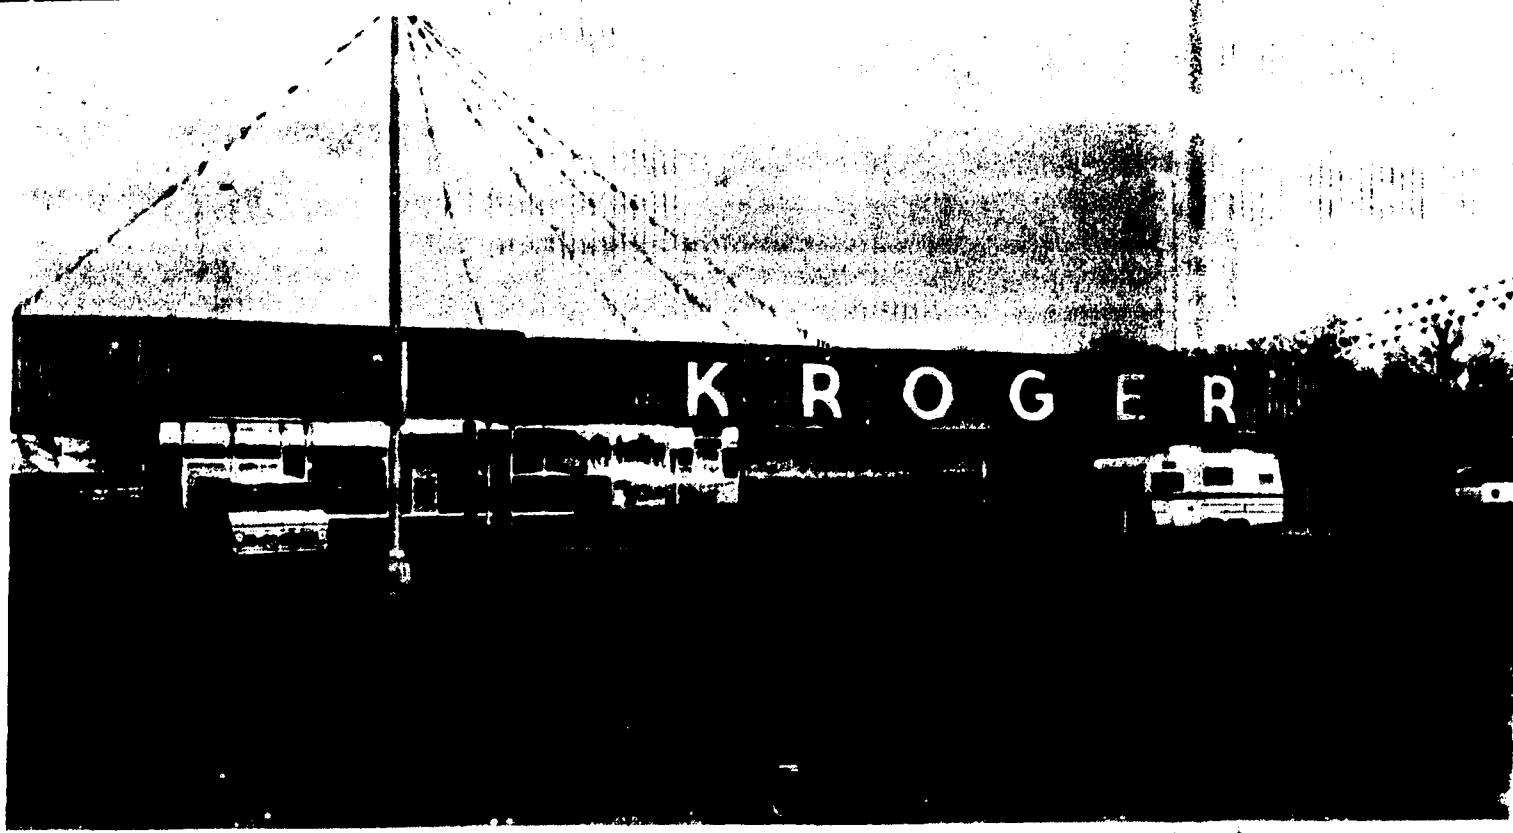

Back in depression days the late C. E. Palmer and I made a deal to buy a quantity of newspaper from Oslo, Norway. We got to depending on it. Previously I had been buying on the U.S. spot market, dialing to tie The Star to a long-term contract with any mill.

One morning a paper salesman walked into this office and said thoughtfully, "I hear your mill in Norway burned down last night." By noon I had a telegram confirming the bad news—and it was bad, believe me.

My salesman friend would have helped if he could, but the fact was more newspaper was being used than the world then produced. So many publishers like Mr. Palmer and myself had succumbed to the lure of cheaper paper abroad that many of the Canadian and U.S. mills had diverted their paper-making machines to finer grades for business use.

I scoured the nation offering a certified check and couldn't buy a pound of newspaper. Finally a Southwestern newspaper which shall be nameless ordered an extra car from its own mill and diverted it to me.

Burned once, I got on a long-term mill contract promptly—and have been on it ever since. It's a mean system, but it gets you paper—and without paper a newspaper can't survive.

## Kroger Co. to Open New Supermarket Here Feb. 1

Color, light and convenience will keynote the new Kroger store at 525 Hervey Square, says Stewart W. Long, Vice President of the Arkansas Division of the Kroger Co.

The new Kroger supermarket which opens Tuesday, February 1, 1972, was designed to please the feminine shopper. That's the word from Stewart W. Long, Vice President of the retail food firm's Arkansas Division, which operates stores throughout this area.

"Women usually do the family food shopping," explains Mr. Long, "and women know what

they want." Kroger tries to design each new supermarket to meet the exact needs of the homemakers who will be shopping in that particular store.

Take a look at some of the features these homemaker comments have inspired, as displayed in the new 16,000 square foot Hope Kroger store.

The new Kroger supermarket for Hope shoppers will include more than 7,000 food and non-food items from around the world, according to store manager Don King.

And what's the most important

commodity in his store? "That's easy," says Mr. King. "It's our courteous and helpful employees. They're the 'secret ingredient' that help make a customer enjoy her shopping trip," he explains, "...the added something that gives a store its personality."

The bright new store which Mr. King and his staff will present to Hope shoppers is 16,000 square feet in size. It includes many of the latest conveniences and features planned to make the weekly shopping trip easier and more pleasant.

If you have ever said, "I wish supermarkets would..." make bottle-returning easier, get more prepared dishes and "convenience" items be brighter, more colorful,

## \$557 Million Returning to Auto Buyers

WASHINGTON (AP) — The Internal Revenue Service says \$557 million have been turned over to auto manufacturers for distribution to car buyers and dealers who paid auto excise taxes last fall.

The refunds represent nearly half the estimated \$1.2 billion expected to be returned to auto manufacturers, which should then distribute it to dealers and consumers, the IRS said Sunday.

Consumers who bought cars between Aug. 16 and Dec. 10 last year or light trucks and buses between Sept. 23 and Dec. 10 will get \$1.1 billion of the total. The remainder will go to dealers as repayment for excise taxes on floor stock. The law repealing the auto excise tax on various vehicles was enacted Dec. 10.

McClellan to Speak

By THE ASSOCIATED PRESS

KUTTIKE RIC (AP) — Sen. John L. McClellan, D-Ark., is to be the featured speaker at the semiannual convention of the Arkansas Broadcasters Association March 9-10 at Little Rock.

McClellan is to address the group at a luncheon.

Both Connally and Shultz urged Congress to act on President Nixon's proposal to set a statutory ceiling on expenditures so as to keep the outlays no higher than the estimate of \$246.3 billion.

Connally said it is reasonable to expect that deficits will disappear as the slack in the economy is taken out.

The committee opened hearings on legislation for the debt ceiling increase. Congress always has approved increases in the past so as to enable the government to continue borrowing to pay its bills.

## 13 Killed, Irish Vow Retaliation

BELFAST, Northern Ireland (AP) — The Irish republic is calling home its ambassador to Britain because of the shooting of 13 civilians in a battle with British troops in Londonderry on Sunday.

The decision of the southern Irish was announced today after an extraordinary Cabinet meeting in Dublin.

The meeting followed a 15-minute telephone conversation between Prime Minister Jack Lynch of the Irish republic and Prime Minister Edward Heath of Britain.

Earlier in the day, the Irish Republican Army blew up a

store, a bar and an electrical shop in downtown Belfast. Security spokesmen expressed the belief the bombings were in retaliation for the killing of the 13 civilians in Londonderry.

The British Home Stores was blown up by two gelignite bombs in a window cleaners' van that was parked just outside the store in a busy shopping arcade.

Ten persons were injured, one seriously, and dozens of neighboring shops and offices were damaged.

The 13 deaths in Londonderry raised to 232 the number of persons killed in the Catholic-Pro-

testant warfare that has raged in Northern Ireland since August 1969. Fifty-nine have died this year.

The IRA charged that the paratroopers fired indiscriminately into a crowd of unarmed civilians, and the guerrillas promised a wave of soldier killings in revenge.

The army said snipers opened fire first.

The trouble began after some 10,000 marchers turned out in answer to a call from Roman Catholic civil rights leaders to demonstrate against the internment of suspected IRA terrorists without trial. The demonstration violated a government ban on parades.

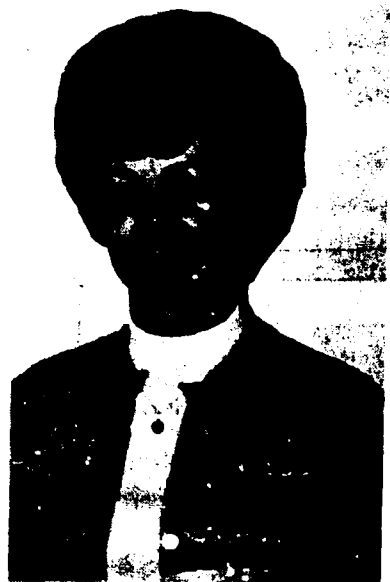

After being halted near City Hall by police and army barricades, the marchers turned back toward the Catholic Bogside district where they were to hear speeches.

The army said at this point rioters in the crowd hurled rocks and nail bombs at the troops and snipers opened fire at the soldiers.

Maj. Gen. Robert Ford, the British army commander in Northern Ireland, insisted that his men did not go in shooting as the IRA charged. "They did not fire until they were fired upon," he said.

There were rumors that some of the victims may have been slain earlier and their bodies brought out Sunday to inflate the toll. The army said it was investigating this but had no evidence to confirm these reports. Ford said, however, that all the dead may not have been killed by the troops.

## Dee McMurrrough Is in Race for County Clerk

DEE McMURROUGH

Mrs. Dee Turnage McMurrrough has authorized the Hope Star to announce her candidacy for the office of County and Probate Clerk of Hempstead County.

In making her announcement Mrs. McMurrrough states that she served Deputy County and Probate Clerk from 1959 until 1965. In early 1965 she was appointed County and Probate Clerk by the Governor to fill the unexpired term of her late husband Dick Turnage. After this term as County and Probate Clerk expired she served as Deputy Clerk in this office until 1970. Since January 1, 1971, she has served as Deputy in the Hempstead County Sheriff and Collectors office.

Mrs. McMurrrough is a member of the First Baptist Church of Hope and is a teacher in the Young Peoples Sunday School Department. She is President of the Hope Business and Professional Women Club and County Chairman of the Arkansas Tuberculous and Respiratory Disease Association.

Mrs. McMurrrough states that she has never been a candidate for public office prior to this time and if elected will exercise the duties of the office of County and Probate Clerk in the most efficient and courteous manner possible for all of the Citizens of Hempstead County.

Your Vote and Support in the coming Democratic Primary election will be greatly appreciated.

Respectfully

Dee Turnage McMurrrough

## Hanoi Supply Lines Target of Bombs

SAIGON (AP) — More waves of U.S. B52 bombers pounded North Vietnamese troop and supply buildups today along a 200-mile stretch of South Vietnam's western border, from the demilitarized zone to the central highlands. They were the heaviest raids there in four months.

About 20 of America's biggest bombers unleashed more than 500 tons of explosives on North Vietnamese positions inside the southern half of the demilitarized zone, at the northern entrance to the A Shau valley and west and northwest of Kontum, in the central highlands, which U.S. advisers say may be one target of the anticipated offensive.

The heavy air attacks came as Gen. William C. Westmoreland, the U.S. Army chief of staff, told a Saigon news conference that North Vietnam is preparing for a multiphase offensive next month in South Vietnam just below the demilitarized zone and in the central highlands.

Westmoreland, who commanded U.S. forces in Vietnam in 1965-68, said the Communists may "have some temporary success." But he said he and top U.S. and South Vietnamese officers are confident Saigon's forces can handle any enemy offensive.

The South Vietnamese Command reported that its air force destroyed three North Vietnamese tanks Sunday just inside the border, about 32 miles west-northwest of Kontum.

On the DMZ front, North Vietnamese forces bombarded South Vietnamese bases along the zone with more than 200 rockets and mortar shells, and four ground clashes were reported.

## Burglaries, Wrecks Probed

Hope Police reported a series of burglaries Sunday night but no great amount of money was believed involved.

Police Chief A. S. Willis said burglars hit Ford Ward's station and the Volkswagen Agency on Third Street, Village Esso Station, and Norman Moore's bulk plant on station on Highway 4.

Mr. Willis said the investigation continues but it appears only money from cigarette machines and gasoline are missing.

Saturday on East Greenwood an auto driven by Delia E. Shuster and Fred Oliver Dillard collided with minor damage resulting. Officer Sinyard investigated.

At Third and Greening a State Highway Department vehicle driven by Gene R. Taylor of Prescott and an auto driven by Mary Smith of Bossier City, La. collided with very minor damage resulting. Officers Ward and Shirley charged Taylor with driving with an expired driver's license.

Sunday on North Laurel vehicles driven by Tommy Carl Bostic and Percy McFadden collided with minor damage resulting. Officers Stovall and Clark investigated.

## Assessors Cost State

LITTLE ROCK (AP) — The director of the Assessment Coordination Division of the state Public Service Commission says failure of county tax assessors to follow state guidelines is costing Arkansas counties more than \$10 million annually in ad valorem tax revenues.

Joe T. Burlingame made the statement in an interview and added that the guidelines are included in assessment manuals his agency furnishes tax assessors.

He said a minimum of \$6 million in personal property ad valorem tax revenues was overlooked while about \$5 million in real property taxes was

missed because of what he called varied administrative practices and "lackadaisical" work habits of individual assessors.

Primarily, Burlingame said, the assessors are disregarding the criteria for assessing household furnishings on a per-room basis in relation to the value of the home. He also said many ignore the additional assessment stipulation of separately assessing such items as televisions, stereos, freezers and window-unit air conditioners.

Burlingame said spot checks indicated that assessors were actually overlooking 30 per cent of the taxable personal property.

## Connally Appeals for Big Increase in Debt Ceiling

By EDMOND LEBRETON

Associated Press Writer

WASHINGTON (AP) — Secretary of the Treasury John B. Connally asking Congress for the biggest single raise in the national debt ceiling since World War II, said today the borrowing limit will have to be raised again about a year from now.

No one can be happy about the huge deficits that require an immediate increase of \$50 billion in the debt ceiling, to \$400 billion, Connally told the House Ways and Means Committee.

He said some of the unexpected red ink resulted from congressional action but, "our economic forecast for calendar

1971, on which the fiscal 1972 budget was based, was simply too optimistic.

"Total gross national product, personal income and corporate profits were all significantly below the forecast. As a result tax collections are falling short in most categories including the big items: personal and corporate income taxes," he said.

Both Connally and Budget Director George P. Shultz defended the 1973 budget, despite its expected \$25.5-billion deficit, as necessary to stimulate the economy and lead eventually to a balance. The deficit for the year ending next June 30, which Connally blamed largely on sluggish economic perform-

ance, is estimated at \$38.8 billion.

Both Connally and Shultz urged Congress to act on President Nixon's proposal to set a statutory ceiling on expenditures so as to keep the outlays no higher than the estimate of \$246.3 billion.

Connally said it is reasonable to expect that deficits will disappear as the slack in the economy is taken out.

The committee opened hearings on legislation for the debt ceiling increase. Congress always has approved increases in the past so as to enable the government to continue borrowing to pay its bills.

# Cuba Getting Missile Patrols

By FRED S. HOFFMAN  
AP Military Writer  
WASHINGTON (AP) — The Soviets have started sending Cuba bigger, more heavily armed missile-firing patrol boats, Pentagon sources report. The first two OSA-class boats reached Havana in mid-January.

They arrived nearly a month after Cuban gunboat attacks on two unarmed Panamanian-registered freighters in the Caribbean brought U.S. warnings of possible air and naval counteraction.

The 35-knot OSAs mount four Styx missiles with high-ex-

plusive warheads and a range of about 15 miles.

The U.S. Navy has been concerned about the Styx since the Egyptians sank an Israeli destroyer with one of them in 1967.

More recently, the Indian navy reportedly sank a Pakistani destroyer with a Soviet-supplied Styx.

The new 200-ton OSA craft have a greater operating range and carry twice as many missiles as the 18 older Komar-class patrol boats furnished to Cuba by the Russians in the 1960s.

Last October, Russia made

deliveries of MIG21 jet fighters to Cuba for the first time in more than four years. The provision of newer and more powerful missile boats is viewed by some Pentagon officials as another indication that the Soviet Union is embarked on a program of strengthening Cuba's armed forces.

Intelligence officials told a House Foreign Affairs subcommittee last September that most of Cuba's weapons predate the 1962 missile crisis, and that Soviet shipments in recent years have consisted largely of spare parts and replacements.

Meanwhile, a Russian guided-missile frigate and a diesel-powered submarine left Cuba last week after nearly three months during which they engaged in antisubmarine exercises with the Cubans.

This was the longest such visit by Soviet fighting ships since the Russian navy began sending fleet units to Cuba in July 1969.

U.S. reconnaissance has kept constant watch on the port of Cienfuegos, on Cuba's south coast, where the Russians have moored barges and built barracks and other facilities that could be used to support submarine operations.

The Russians have been reported conducting research in the Caribbean and Gulf of Mexico on such phenomena as sea currents, water temperatures and composition. Experts say this kind of information would be important to the Soviets for any submarine operations there.

# Equal Employment Decision Is Due

By JOHN CHADWICK  
Associated Press Writer  
WASHINGTON (AP) — Up for decision in the Senate today is whether a federal ban on discrimination in employment should be extended to cover more than 10 million employees of state and local governments.

A controversial equal employment bill would bring them under the law, but an amendment by Sen. Sam J. Ervin.

In addition to state and local employees, the Senate bill would extend coverage to employees of educational institutions and to firms with as few as eight employees.

# Cold Weather Due to End

By THE ASSOCIATED PRESS  
The cold snap in Arkansas is ending, for a while.

The forecast calls for slightly warmer temperatures today and Tuesday. Highs today should be mostly in the 40s with readings Tuesday climbing into the 50s.

A cloud cover that had restricted sunshine moved out of the state late Sunday and abundant sunshine is expected today.

The forecast also calls for a few light showers tonight and Tuesday, mainly in the south portion. A high pressure system located over the state this morning was expected to produce the moisture as it moved east-northeast out of the state.

# Murder Conviction Reversed by Court

By BILL SIMMONS  
Associated Press Writer  
LITTLE ROCK (AP) — The state Supreme Court reversed today the second-degree murder conviction and 21-year prison sentence of James Armstrong in Ouachita County Circuit Court.

Circuit Court Judge Harry Crumpler, who presided at the trial, had refused to permit testimony in the trial that would have shown that the victim, Tyree Godbolt, had told another person, he intended to harm Armstrong.

Godbolt was shot to death Jan. 2, 1971.

Chief Justice Carleton Harris, writing the unanimous opinion, said that testimony about Godbolt's alleged threat should have been permitted to demonstrate which of the two men was the aggressor in the fatal altercation.

The court also reversed the first-degree rape conviction and life sentence given Jesse Shelton in Pope County Circuit Court.

Associate Justice J. Fred Jones wrote the unanimous

opinion that held that Shelton apparently was denied a lawyer when he requested to be represented by counsel prior to any police interrogation.

The record of the case included a hearing on whether a statement given by Shelton was voluntary.

In that hearing, a State Police officer, Deloyn Cossey, testified that Shelton specifically requested to see "Doc" Irwin, who was deputy prosecuting attorney but had previously represented Shelton in a divorce matter.

# Lindsey 2nd to Muskie

By MICHAEL J. PUTZEL  
Associated Press Writer  
Mayor John V. Lindsay of New York won strong support from newly enfranchised youthful voters to surprise analysts and capture the runner-up position in Arizona's state delegate election, the first ballot-box test of contenders for the Democratic presidential nomination.

Lindsay ran second to acknowledged front-runner Edmund S. Muskie of Maine in the state's election of 500 delegates to the Arizona Democratic convention next month. The 500 will choose 25 delegates to represent Arizona at the Democratic National Convention in Miami Beach next July.

The 36,000 voting Democrats gave the Maine senator 38 per cent of the delegates, Lindsay 24 per cent and Sen. George McGovern of South Dakota 20 per cent, with 17 per cent of the delegates uncommitted.

McGovern and Lindsay both led Muskie in the two university precincts in Tucson and Tempe, where the student body presidents of the University of Arizona and Arizona State both endorsed Lindsay.

Lindsay also showed strength among minority groups and carried Phoenix, the largest city. He and McGovern led Muskie in Tucson, which with Phoenix comprises 75 per cent of the state's voters.

# Irving to Face Jury

NEW YORK (AP) — Author Clifford Irving was scheduled today to face a Manhattan grand jury as the mystery surrounding his alleged autobiography of Howard Hughes spawned new theories on the origin of the book and the disposal of royal checks.

The grand jury is investigating what became of the \$650,000 McGraw-Hill Publishing Co. gave Irving to transmit to Hughes as payment for the book. It was reported that Irving would ask for a delay in his grand jury appearance so he could brief his new attorney on the case.

The latest speculation restored some of the uncertainty dispelled when Irving, 41, admitted through his attorney last week that his wife Edith had deposited three checks totaling \$650,000 in a Swiss bank account under the name "Helga R. Hughes."

Irving and his lawyer, Maurice Nessen, said Mrs. Irving later withdrew the money at the request of Hughes and re-deposited the sum intact in a second Swiss bank.

But CBS and Time magazine reported Sunday that Mrs. Irving deposited only \$450,000 in the second bank. The network said in its "60 Minutes" program that Irving spent \$50,000 of the money, while Time claimed the author was "frantically trying to raise \$200,000."

Time also reported that the 999-page autobiography Irving says was compiled after more than 100 meetings with the reclusive billionaire may be partially based on a computer printout.

### Post-Christmas Reflections

Dear Helen:  
Christmas is hardly over, yet I'm wondering if it is the last one I will see as I remember it.

It all began with the discontinuation of prayers in the schools. Next it was the nativity scene which was eliminated from public places—schools, buildings, etc. Now, the last straw, Christmas trees were banned in our schools last year.

Why a non-Christian minority should force the majority to give up these very real symbols of Christmas—the birth of Christ and the Christmas tree—when we respect THEIR holidays, I cannot comprehend. Can you—???

Dear ???:  
Have Christmas trees and nativity scenes been banned because of non-Christian sentiment or for other reasons? Lack of space or time, fire danger, budget cutbacks might be the culprits here, right?

No matter what, it's a pity. We sometimes forget that Christmas is "Christ's Mass" and should be celebrated as such.—H.  
P.S. Here's another point of

candles. Pink punch, cake squares, nuts and mints were served by Miss Vickie Faulkner and Miss Toni Burke, sister and cousin, respectively, of the honoree.

### Births

Mr. and Mrs. Larry Terry, Ft. Smith, are the parents of a daughter, born Saturday, January 29 and named Stephanie Sheri. She is their second child but their first girl. Grandparents are Mr. and Mrs. Charles Burch of Hope and Mr. and Mrs. Leon Terry of Harrison.

Craig James Weisenberger was born January 28 at Southwestern General Hospital in El Paso, Tex., to Lt. and Mrs. Al Weisenberger. Lt. Weisenberger is now in Vietnam and is expected home next week. Mrs. Weisenberger is the former Giles McGovern of El Paso. The maternal grandfather is Judge Hugh McGovern of El Paso, and the paternal grandparents are Judge and Mrs. Royce Weisenberger of Hope.

## Church Plans Private School

LITTLE ROCK (AP) — The pastor of the twelfth Street Baptist Church at Little Rock says the church plans to open an elementary school next September for several reasons, one of which is opposition to court-ordered busing to achieve racial balance in public schools.

"We think it is foolish, stupid, idiotic, dumb—I can't think of enough adjectives—to make kids go to school clear across town," said Rev. James M. Phillips.

## Television and Radio

By CYNTHIA LOWRY  
AP Television-Radio Writer  
NEW YORK (AP) — Series are the meat and potatoes of television fare. The proliferating made-for-TV filmed features appear to be the ice cream and cake—perhaps even more than the programs formally labeled "specials."

No matter which network is broadcasting the filmed feature, it starts out as a suspense tale: There is absolutely no way to tell in advance whether one is sitting down for a tired tale, perfunctorily told, or a well-acted, novel treatment. Quality, writing and production vary widely, and so does the acting.

"Movie of the Weekend" on Saturday turned up with a pretty good horror story, even if it did require the viewer to park his common sense for 90 minutes. "The Screaming Woman" was a contemporary switch on the old "Glaslight" theme, with some homicidal coincidence added.

Olivia de Havilland played a wealthy woman returning to her home after a stay in a sanatorium. Her son, eager to get his hands on the family real estate, wanted to have his mother declared incompetent. Just when his part of the plot was peaking along nicely, our heroine—Olivia—heard a buried woman crying for help in the soft earth of a dismantled smoke house.

Since family, local sheriff's office and even the neighbors are convinced the woman is, as one child put it, "loony," her story was given no credence. She herself began to feel she was imagining things.

In the end she saved the woman, turned up a would-be wife-murderer and foiled her son's plot. Miss de Havilland was excellent and the photography and setting were particularly noteworthy. It would have been more satisfactory if it had been trimmed down to an hour: Miss de Havilland had to kill quite a lot of time running around vainly seeking help and sneaking around outdoors after dark.

NBC's "Chronolog" which started the season as a very serious-minded actuality show, has had a slight format change: The last portion of its two hours is now looking on the lighter side.

Host Garrick Utley, however, does not seem very comfortable with funny stuff, including scenes from a Brigitte Bardot-Claudia Cardinale comedy western.

The program's treatment on the dangers of lead poisoning was vivid and frightening. Slum children, eating plaster from crumbling walls are affected; ceramic dishes which have been improperly glazed and fired can leak lead into food and drink. The major offender is leaded gasoline throwing fumes into the air.

"Chronolog" is a very long program. It would be more enjoyable if shorter editions were broadcast more frequently.

### Coming, Going

Mrs. Dale Bumpers, Mrs. Frank McGee, Mrs. Booker Worthen, all of Little Rock, and Mrs. William C. Nolan, Jr. of El Dorado, who are members of the board of directors of the Arkansas Arts Center, and Bill Bond, director of state services for the Arkansas Arts Center, were luncheon guests of the Hope Junior Auxiliary on Friday at the Town and Country.

The Birkett Wylie family went to the Southwest Boat Show in Dallas this weekend.

Mrs. Henry Seamans visited last week with her grandson, Brian Joseph Saddock, and Mr. and Mrs. Joseph Saddock in Arkadelphia.

## Many Don't Know They Have It Diverticulosis Is Fairly Common

By Lawrence Lamb, M.D.

Dear Dr. Lamb—I have pockets in my intestines and cannot eat food that has skins or seeds. I have been told that there is a medicine you can take that will dissolve these pockets. Is that true?

Dear Reader—These occur where the muscular wall of the intestinal tube has given away or ruptured and allowed a portion of the lining (mucosa) of the intestines to protrude out in a little pocket or diverticula. The intestinal tube has several layers in its wall. The inner layer is the mucosa, or lining, that produces all types of secretions to aid in digestion and is the location for absorption of foodstuffs into the bloodstream.

There are muscular layers in the intestinal wall that are circular and some are lengthwise. Finally, the whole wall is bounded by tough, membranous material. The little pockets most often occur in people who have had an overactive digestive system. Often these are the people who have experienced constipation, diarrhea and other evidences of spasm and the build-up of pressure within the intestine.

Oswald: "Losing bridge players like to complain about their bad luck. Luck does play a major part in your results in any one session. However, in the long run, luck tends to even out and it is the skill factor that determines the winners and losers."

Jim: "One class of players who suffer from this 'hard luck' is the one who rushes to bid no-trump when his holding calls for some other bid. Here is a good example."

Oswald: "With 14 high-card points the South hand meets one requirement for a two no-trump response. Unfortunately for the man who bid two no-trump, it fails dismally in a most important requirement — preparation for the opening lead."

Jim: "South found that out quickly. West opened the queen of hearts. South covered with dummy's king. East plunked on the ace and the defense had five tricks before South could gain the lead."

Oswald: "I can imagine South's wails of anguish. He must have pointed out that if West held the ace of hearts or if any other suit had been led, he would have scored game and rubber."

Jim: "He sure did. What he didn't point out was that if he had responded two clubs then North would bid two no-trump and it wouldn't matter where the ace of hearts was or what was led."

# Hope Girls Place 4th in Joe T. Tournament

By BILL MOORE  
Star Sports Writer

Although beaten by Ashdown in the consolation game of the Joe T. Robinson Tournament, 61-50, the Hope Ladycats brought home a fourth place trophy when it was all over.

With 28 of some of the top teams in the state in the tournament, the Ladycats emerged as the fourth place team and it also shows just how tough the senior girls district 7A is as the first place trophy went to Stephens and third place to Ashdown, both in the same district with Hope.

Winning the first three games to gain access to the semi-finals and the consolation game, the Ladycats had to win it on their own, playing the six opponents on the court and two more dressed in black and white stripes with the players and fans on both sides seeing some of the most unbelievable calls in a long time in basketball.

In the consolation game Saturday night, Hope started out hotter than a firecracker, but as the game progressed, cooled off and allowed the Pantherettes to

catch up and move ahead for the final margin of victory.

Although Ashdown took the first tipoff, Hope made the scoreboard first on a field goal by Janet McCain from the top of the circle with 5:32 left in the period. With Dee Singleton and McCain now sinking a bucket each, the Ladycats held a 6-2 margin with four minutes left in the period after allowing Ashdown a pair of free throws.

With 2:27 left in the stanza, the Ladycats hit out to a seven point margin after Singleton layed one through the hoop from up close, but Ashdown closed the gap back up on a charge from Vickie Impson and Hope had to settle for a 17-14 margin while moving into the second quarter.

As the second period got underway, Ashdown grabbed the tipoff and quickly scored eight points in a row before Corny Coleman could get Hope on the board in the second period of play. Outscored 13-9 the rest of the way the Ladycats found themselves trailing at halftime, 34-28, with two whole quarters left to play.

After halftime, the Ladycats lost the third quarter tipoff, but four field goals by Singleton and

some free throws by McCain narrowed the Ashdown lead to one, 40-39, with 2:17 left in the period. However, Hope could only get two more field goals in the period while Ashdown put in eight quick points for a 48-43 margin, moving into the final quarter of play.

Outscored 13-7 in the final stanza, the Ladycats never got any closer than the one point difference in the third period, although they did hit a couple of quick points.

Although the tipoff went to the Ladycats, it was Ashdown who scored first as they hit seven points in a row before Singleton and McCain could hit baskets. A free throw by Gigi Gladney and a layup by Singleton finished out the scoring with a little over a minute to go.

Singleton hit 26 points, followed by McCain with 11, Coleman with seven, Rodden had five, and Gladney hit one. Guards for the game were Betty Ruth Honeycutt, Mona Rowe, Sandra Hamilton, Janice Hobson, and Judy Reyenga.

Tonight the Kittycats, eighth graders, and B-team will play Spring Hill beginning at 5:30 p.m.

## Gamecocks Win, UCLA Slams Irish

By KEN RAPPOPORT  
Associated Press Sports Writer

Here come South Carolina's Gamecocks, loaded as usual. And the big shot is a Tommy gun.

Displaying typical, fast-breaking firepower, Frank McGuire's 11th-ranked basketball team clouted No. 19 Northern Illinois 83-72 Saturday night behind Tom Riker's 34-point blast.

"It was another great night for Riker," said McGuire.

It certainly was. Riker, who scored 42 points to help South Carolina whip Fordham in New York last Thursday, made 15 of his 22 field goal attempts against Northern Illinois.

The blazing shot-making gives him 34 of 43 in the last two games, a little better than 80 per cent from the field.

While McGuire boosted his top gun he also awarded team superlatives.

"This is the second tremendous victory on the road trip," exulted McGuire. "The Fordham win was great, but this one was better."

"Northern Illinois is a tremendous basketball club. They used every defense in the book and hurt us with their press in the second half. They also had the home crowd advantage."

South Carolina earned its victory before a noisy crowd of 16,000 at Chicago Stadium in the first game of a double-header. Marquette, the nation's second-ranked club, defeated Loyola of Chicago 69-67 in the second game.

Top-ranked UCLA clobbered outmanned Notre Dame 57-32; fourth-rated Louisville tripped Bradley 52-46; No. 5 North Carolina smashed No. 18 Maryland 92-72; Michigan trimmed No. 6 Ohio State 88-78; seventh-ranked Southern Cal lost to Santa Clara 83-73; No. 9 Penn crushed Princeton 82-59; No. 10 Florida State clouted Florida Southern 84-63 and No. 15 Hawaii trounced Redlands 84-50 in other top games.

Third-ranked Long Beach State saw action Sunday and bowed to the University of Pacific 104-86. The setback was the 49ers' first ever in the Pacific Coast Athletic Association.

Long Beach State, 16-2, had won 25 straight PCAA games—13 this season—without a loss since the conference's inception in 1968-69. The 49ers still are first in the league with a 5-1 record, however, while the Tigers are 4-1 and 12-6 overall.

Pacific's victory was its 34th in a row at home. The Tigers bolted to a 20-2 lead and never were headed. Bernard Dulaney and John Errecart scored 26 points apiece for the winners. Ed Ratleff topped the losers with 43.

Marquette put on a full-court press to erase a seven-point halftime disadvantage and the Warriors had to scrap all the way to beat Loyola's upstarts.

"We were fortunate to win," said Marquette Coach Al McGuire. "We played well in the second half and I think we're starting to find ourselves. Everyone thinks that we should win by 25 or 30 points, but it's not in the cards. We're not that good."

UCLA shrugged off Notre Dame's stall-ball tactics to win its 16th game this year, the 31st over two seasons and the 161st in the last 166 outings.

Louisville also dealt with a slowed-down game, although not as exaggerated, to beat Missouri Valley Conference colleague Bradley.

"We feel a team can't stay with us physically," said Louisville forward Ron Thomas. "They try to run with us, they're going to get beat and if they try to stall, they're going to get beat."

Robert McAdoo scored 20 points to lead fast-breaking North Carolina over Maryland's tough Terrapins.

"Maryland is a very dangerous team," said North Carolina Coach Dean Smith. "I feared that Maryland would out-rebound us, and they did. They had a lot more possessions but still we were able to

ALMOST but not quite. High atop a television tower overlooking construction on the 1972 Olympics site at Munich, West Germany, juggler Rudy Horner attempted to get airborne with the familiar five-ring Olympics symbol. But for a swirl of Alpine wind, he might have made it.

## Gomez Heads the Hall of Fame List

By KEN RAPPOPORT  
Associated Press Sports Writer

NEW YORK (AP) — Lefty Gomez used to watch airplanes and throw jet-propelled strikes. Ross Youngs flew around the bases. Will Harridge guided the American League through a fast-paced era.

The three are the newest members of baseball's Hall of Fame. It took only a vote by the Veterans Committee Sunday to place their names among the sport's immortals.

Gomez, the pitching pride of the New York Yankees during the 1930s who did his best when the chips were down, was the most glamorous name of the trio unanimously selected by the 10-man oldtimers' committee. Of the Baseball Writers Association of America.

Youngs was reckless runner in the Ty Cobb mold and a switch-hitting stylist with the old New York Giants. Harridge was president of the American League for a record 28 years.

The veterans committee, meeting in conjunction with the annual dinner of the New York chapter of the BBWA, vote on players and officials who have been out of the game for 20 years.

Gomez, whose given name was Vernon Long carried the "Lefty" appellation for his win.

Henry Wilmore scored 26 points, including eight straight in a crucial second-half drive, to help Michigan stun Ohio State, which was playing without injured Luke Witte and Mark Wagar.

Mike Stewart, the No. 4 field goal percentage shooter in the country, scored 18 points to lead Santa Clara over Southern Cal.

Corky Calhoun scored 24 points as Penn moved into a tie with Princeton for the Ivy League lead and Ron King and Otto Petty combined for 39 points to pace Florida State.

In other games No. 13 Brigham Young walloped Wyoming 101-74; No. 14 Marshall defeated Morris Harvey 78-68; No. 16 Minnesota scored a 61-50 victory over Iowa; and No. 20 Missouri turned back Colorado 79-67.

# Hope Teams Win Two Trophies

By ALAN FOSTER  
Star Sports Writer

Last Saturday night in the Nashville Invitational Tournament Hope's Jr. Teams split a pair to return home with a runner-up trophy in the Junior Girls Division and a First Place Trophy in the Junior Boy's Division.

In the first game, the Kitty Cats were beaten out by the host team, Nashville, by a score of 38-34.

The first quarter was a defensive battle which was rough on Hope as several players got into foul trouble. It ended in a deadlock at Hope 9, Nashville 9.

Nashville took a quick four point lead to begin the second period but were unable to hold as Hope's forwards combined to stay close on the trail as the half ended at Nashville 21, Hope 19.

In the third quarter Nashville moved to take a 7 point lead with 4:15 left in the quarter. They held that lead and at the end of this display the scoreboard read 31-24, Nashville.

In the fourth quarter the Kitty Cats fell just short as they put-played the Scrappers and outscored them, 10-7, only 4 points separated them when it was all over, Nashville 38, Hope 34.

Gail East led Hope with 15, Pogo Griffin had 13, Susan Henly sank four, and Glenda Masingill scored two to round it out. Ellis Led Nashville with 19. Also helping out in the close loss and a good defense were guards, Janie York, Bonnie Roy, Melissa Reese, and Jeannie Kramer.

The second game turned into a

thriller as Hope's Bobkittens made a free throw the difference between them and Prescott as they were victorious 41-40.

The first period was fairly even but Hope managed to own a slim 12-9 lead at the buzzer.

The second quarter saw sawed back and forth as both teams hit the basket well, but again Hope had the lead as they retired to the dressing rooms at 19-17.

The third quarter was all Hope's as they capitalized on Prescott's mistakes and made breaks of their own to hold a 37-22 margin at the end of it.

As the fourth quarter progressed, it looked like Hope might walkaway but fouls

changed that as the Curly Cubs came back to get a 39-38 lead with only one minute left but the Kittens came back on three points play by Johnny Harris to take the lead back, Prescott added a free throw, but the honors all belonged to Hope as the final score was Hope 41, Prescott 40.

James Robinson led Hope with 12 points, Marshall Scott had 9, Johnny Harris had 7, Mike Hobson and Jim Rhodes had 6 apiece, and Jimmy Williams sank a free throw to round out the scoring.

The Kitty Cats battle Spring Hill there tonight.

## SMU Blasts Tech, Texas Raps Porks

By THE ASSOCIATED PRESS

That four-team tangle for first place in the Southwest Conference's chill-a-second basketball race will unravel somewhat Tuesday night when Texas travels to Dallas to give Southern Methodist's suddenly frothing Mustangs a saliva test.

The Mustangs have stamped three consecutive league teams since Coach Bob Prewitt decided to go with a "three-guard system," using deadeye shooters Larry Delzell, Zack Thiel and Bobby Rollings in the same lineup.

SMU blew Texas Tech out of its own gymnasium Saturday night 85-69 before 9,500 fans to throw the chase into a four-way

tie between the Mustangs, Red Raiders, Texas and Texas A&M. The leaders own 3-1 SWC records.

Texas Tech and Texas A&M are on the road Tuesday night.

The Red Raiders are at Arkansas while the Aggies motor to Houston to play winless Rice, the league cellar-dweller. In the other game, Texas Christian, the defending champion owning a 2-2 mark, is at Baylor.

SMU's turnabout left Texas Tech Coach Gerald Myers shaking his head: "They controlled the game. They played a good defensive game ... hit the bucket real well ... rebounded well ... and worked to get the good shots."

Mustang Coach Bob Prewitt said the thing that pleased him the most was the fact his team kept cool under the Texas Tech press.

"When Tech made a run at us at the end of the game, we were able to keep our poise, work the ball, and get some layups off the press," Prewitt said.

Texas won't come to Dallas "on a load of wood" as football coach Darrell Royal likes to say.

The Longhorns set a single game school scoring record with a 117-93 thrashing of Arkansas Saturday night. Six Longhorns were in double figures as they beat the old mark by three points.

Texas was only two points shy of the SWC record.

In other games Saturday night, Texas A&M defeated Baylor 88-75 at home while Texas Christian whipped Rice 65-55 in Fort Worth.

## Indians Stay on Top

By THE ASSOCIATED PRESS

The three undefeated Southland Conference basketball challengers go at it this week in a crucial round of elimination battles.

Defending champion Arkansas State (2-0) has the best deal. The Indians get their two pressure-cooker games on their homecourt at Jonesboro.

Southwestern Louisiana (5-0) comes to town Thursday night. Lamar University, also 2-0, rolls in Saturday night.

In the only game tonight, Abilene Christian (1-1) is at Lamar University.

The biggest stunner last week was 12th-ranked Southwestern Louisiana's 99-88 loss to Los Angeles State on the West Coast. It snapped a 13-game win streak and left the Ragin' Cajuns with a 1-3 record overall.

Los Angeles State did the best job of holding down Southwestern star Dwight Lamar in any contest this year. Lamar scored 27 points. He had been averaging 35.8 points per game as the nation's No. 1 scorer.

## Services for Ex-SMU Great

HOUSTON (AP) — Funeral services for Johnny Champion, 41, former Southern Methodist football great, are set for Tuesday at Lake Jackson.

Champion died Saturday at his Lake Jackson home of an apparent heart attack. He had been a beer distributor in Freeport for the past seven years.

Survivors include the widow and two sons, Bruce, 14, and Fred, 12.

Champion, a wingback who stood only 5 feet-6 and weighed 165 pounds during his college career, played at SMU along with Kyle Rote and Doak Walker.

## Oaklawn Now Getting Best Horses

HOT SPRINGS, Ark. (AP) — The decision to raise the Arkansas Derby prize from \$50,000 to \$100,000 has had a decided effect on Oaklawn Park.

"We've turned down horses this year that ordinarily would be here," says Allan W. "Doc" Lavin, racing secretary at Oaklawn.

"We just had to tell the owners 'no thanks. They're just not of high enough quality for Oaklawn.'"

Lavin says the \$100,000 prize tag on the derby has put Oaklawn in the "big time."

"Just like in anything else these days, money talks," Lavin said. "To acquire the best horses in the country, you've got to make it worthwhile for the owners to bring their horses here."

"We've been more selective this year than ever, and I know it's greatly because of the derby," Lavin said. "I've turned down offers that would have made my mouth water a couple of years ago. This year Arkansas people will be watching some of the finest horses in the country run."

Oaklawn's 50-day meeting opens Friday.

Fans will get their first look at some of the derby prospects Friday in the \$10,000 Dixieland Handicap.

The derby will be on the final day, April 1.

The derby was begun with a purse of \$5,000 in 1936. The prize money was increased until it leveled off at \$50,000 in 1965.

Other added-money stakes and handicap races included: The King Cotton Handicap, \$20,000, Feb. 5; The Hot Springs Handicap, \$20,000, Feb. 12; The Arkansas Traveler Handicap, \$20,000, Feb. 19; The Southwest Handicap, \$20,000, Feb. 26; The Southland Handicap, \$25,000, March 4; The Rebel Handicap, \$25,000, March 11; The Razorback Handicap, \$25,000, March 18; The Oaklawn Preview, \$10,000, March 22; The Oaklawn Handicap, \$50,000, March 25; The Arkansas Futurity, \$7,500, March 28; The Magnolia Stakes, \$20,000, March 29; The Ballerina Stakes, \$15,000, March 30 and the Apple Blossom Handicap, \$15,000, March 31.

## Wilt Breaks Records

By THE ASSOCIATED PRESS

LOS ANGELES (AP) — Wilt Chamberlain is still getting revenge on Bill Russell.

When Chamberlain broke into the National Basketball Association in 1959, he was recognized as the greatest scorer the league had ever seen but was regularly slighted in comparison with Russell, the bel-lwether of Boston's NBA dynasty.

Russell was hailed as the master shot-blocker, rebounder, and team leader, while Wilt pointed to his superior statistics in vain.

Sunday night Chamberlain, now an elder statesman in the NBA at 33, broke Russell's career rebounding record of 12,721 while the Los Angeles Lakers were pounding the Portland Trail Blazers 153-131.

Elsewhere, Milwaukee edged Baltimore 116-112, Boston whipped Philadelphia 130-114, Chicago downed Detroit 109-99, Phoenix shaded Atlanta 105-103 and Buffalo nipped Cleveland 99-98.

It didn't end the controversy over who was the better player but Chamberlain said it was a mark he would cherish.

"I'm proud because it shows consistency and durability," said the Lakers' 7-foot-1 center and captain. "It means as

## Razorbacks Are Crushed

AUSTIN, Ar. (AP) — No ifs and buts about Texas' Southwest Conference basketball victory over Arkansas Saturday night.

The Longhorns crushed the Razorbacks 117-93. It was the most points ever scored against Arkansas, topping the 115 Oklahoma scored against the Razorbacks last year.

Texas took an 8-6 lead on a field goal by B.G. Brosthorous with more than 17 minutes to play in the first half and never trailed again. Texas led 54-39 at the half.

The Longhorns had six players in double figures, including all five starters. The leaders were Joe Lennox 23, Brosthorous and Larry Robinson with 16 each, Jimmy Blacklock 14, John Wilson 15 and Eric Groscurth 11.

Dean Tolson, a sophomore, turned in his performance as a Razorback, scoring 33 points. Martin Terry scored 25 before fouling out with more than six minutes remaining. Texas is now 3-1 in SWC play. Arkansas, which plays Texas Tech Tuesday night at Fayetteville, is 1-3 in conference play.

much to me as my scoring records."

He broke the record in his 932nd game—it took Russell 963—and went on to collect 24 rebounds, 27 points and praise from both coaches.

"Wilt was awesome," said the Trail Blazers' Roland Todd. "When he plays like this nobody can beat the Lakers."

"I just don't think any center in pro basketball can play better than Wilt is right now," said Lakers Coach Bill Sharman, a Celtic teammate of Russell.

They gave Chamberlain an inscribed backboard and hoop to add to his trophy case, along with mementos of a 50.4 scoring average in 1961-62, a 48.3 career minutes-played average, counting overtime, for the same season, and the honors he will receive soon for becoming the first NBA player to score 30,000 points.

The Lakers reached another record Sunday by breaking the team mark for field goals with 67. Gail Goodrich and Jerry West led with 29 and 28 points, and West added 14 assists. Reserves Stan McKenzie and Larry Steele led the Blazers with 22 and 21 points.

Milwaukee wiped out a 13-point halftime deficit and turned back Baltimore on Kareem Abdul-Jabbar's untested layup in the final minute following a court-length pass from Toby Kimball. Jon McGlocklin's two free throws in the final second sewed it up. Jabbar paced the Bucks with 39 points while Archie Clark had 24 for Baltimore.

Dave Cowens and John Havlicek combined for 25 of Boston's 41 points in the third period as the Celtics broke open a tight game and routed Philadelphia. Havlicek and Cowens led the Celts with 33 and 27 points, respectively, while Philadelphia's Billy Cunningham took game honors with 41.

Chicago outscored Detroit 24-5 over a nine-minute stretch of the third quarter and handed the Pistons their fifth consecutive setback and 11th loss this month, a team record. Chet Walker led the Bulls with 29 points and Detroit's Bob Lanier had 24.

Phoenix blew most of a 21-point lead before holding off Atlanta as Connie Hawkins, Clem Haskins and Neal Walk all scored 21 points. Walt Bellamy of the Hawks had 27 and Lou Hudson added 23.

Buffalo overtook Cleveland on Walt Hazzard's 15-foot shot with five seconds left. The winning basket gave Hazzard a game high 26 points. Austin Carr topped the Cavaliers with 23.

Saturday's scores: Boston 124, Detroit 112; New York 110, Seattle 106; Golden State 111, Phoenix 100; Cincinnati 120, Cleveland 118.

## Arkansans in Money

SAN DIEGO, Calif. (AP) — Miller Barber of Texarkana, Tex., won \$5,194 Sunday after finishing with a 279 total in the \$150,000 San Diego Open.

Dick Crawford of Prairie Grove, Ark., won \$214 after finishing with a 291 total.

## Champion Wins Again

FORT WORTH, Tex. (AP) — Paul Mayo of Fort Worth, who was world champion bareback bronc rider in 1970, scored 67 points as he won that event Sunday night at the Southwestern Stock Show Rodeo. His total matched that of David Curry of Burleson, Tex., at the matinee performance. Both fell eight points short of the score by Royce Smith of Challis, Idaho, earlier in the rodeo and still the leader in that specialty.

Minutes after Mayo's ride, Steve Haley of Sayre, Okla., took over the calf roping lead in the second go-round with a time of 10 seconds, only three-tenths of a second less than the first go-round clocking for Lee Coglell of Panhandle, Tex. During the afternoon show, Bernard Betz of Buffalo, Wyo., scored an 11-second time to take the lead away from Dean Oliver of Boise, Idaho. Oliver still led in the calf roping event, however. His time for two calves was 22.2 seconds.

# No Politics Is Best Politics

By CARL P. LEUBSDORF AP Political Writer

WASHINGTON (AP) — For President Nixon, a public posture of "no politics" might be the best politics.

Nixon is demonstrating how an incumbent president can use his office to dominate the news. And Democrats are getting an indication of what they're likely to be up against throughout 1972.

Since declaring in his State of the Union speech Jan. 20 that

he intends to avoid partisanship, Nixon and his top aides have been all over the newspapers and the television screens, taking utmost advantage of his three traditional reports to Congress and a report to the nation on Vietnam.

It's a pattern likely to be repeated over and over again, at least until the Republican National Convention in late August. And, all the while, Nixon says he doesn't have time for politics.

To the Democrats, it's all politics. They know how it works, having been there with Lyndon B. Johnson in the days preceding his 1964 landslide victory.

Republicans, amid their pleas for Democrats to join them in "putting nation ahead of party," sometimes show they are not unaware this is an election year. For example, some of the GOP congressional reaction to Nixon's State of the Union speech was sent to newsmen in an envelope bearing the address of the Republican National Committee.

All the while, Democratic presidential hopefuls are touring the country, making speeches and, for the most part, landing on Page 16.

The way in which the President's Vietnam speech developed gives an indication of how one event can be spread out to dominate the news.

A State Department reaction to a seemingly off-hand comment by Sen. Edward W. Brooke, R-Mass., that the United States was about to make an important new peace

move set off the speculation early Tuesday.

By midday, the White House had asked for broadcast time that night for Nixon to address the nation.

In the speech, he disclosed details of Henry Kissinger's 12 secret trips to Paris, outlined a previously secret eight-point peace plan that had been offered to the North Vietnamese, and said the United States would withdraw all of its troops in return for freedom for the prisoners and an all-Indochina cease-fire.

## LEGAL NOTICE

## ORDINANCE NO. 885

AN Ordinance Authorizing the Issuance of Industrial Development Revenue Bonds under Act No. 9 of the First Extraordinary Session of the Sixty-Second General Assembly of the State of Arkansas, Approved January 21, 1960, as Amended, For the Purpose of Providing Permanent Financing of the cost of Securing and Developing Industry (The Particular Industrial Project is Described in the Ordinance); Authorizing the Execution and Delivery of a Trust Indenture Securing the Bonds; Authorizing and Prescribing other Matters Pertaining to The Industrial Project, The Constructing Thereof and the Financing Thereof; and Declaring an Emergency

## WHEREAS the City of Hope, Arkansas (the "City") is authorized by Act No. 9 of the First Extraordinary Session of the Sixty-Second General Assembly of the State of Arkansas, Approved January 21, 1960, as Amended, For the Purpose of Providing Permanent Financing of the cost of Securing and Developing Industry (The Particular Industrial Project is Described in the Ordinance); Authorizing the Execution and Delivery of a Trust Indenture Securing the Bonds; Authorizing and Prescribing other Matters Pertaining to The Industrial Project, The Constructing Thereof and the Financing Thereof; and Declaring an Emergency

## WHEREAS permanent financing of the Project costs, necessary costs and expenditures incidental thereto and the cost of the issuance of bonds is being furnished by the City issuing Industrial Development Revenue Bonds under the provisions of Act No. 9 in the principal amount of not to exceed One Million Five Hundred Thousand Dollars (\$1,500,000) (the "bonds"); and

WHEREAS there has been submitted to the electors of the City the question of issuing the bonds at a special election, and at the special election the electors approved the issuance of the bonds; and

## WHEREAS the bonds are being sold and delivered in series, with there being initially issued Series A in the principal amount of \$1,350,000 and which are dated, bear interest, mature and are subject to redemption as hereinafter set forth in the form of Indenture authorized by this Ordinance;

NOW, THEREFORE, BE IT ORDAINED BY THE Board of Directors of the City of Hope, Arkansas:

## Section 1. That there be, and there is hereby authorized and directed the following:

## (a) The sale of the Series A Bonds;

(b) The acquisition, constructing and equipping of the Project, and in connection therewith, the execution of any necessary architectural, engineering or construction contracts or the acceptance of an assignment of any such contracts previously executed by Tennessee Service for the constructing and equipping of the Project;

## (c) The performance of all obligations of the City under the Lease Agreement pertaining to the constructing and equipping of the Project and the performance of all obligations of the City under the contracts referred to in (b) above;

## (d) The acceptance of the Tennessee Forging Guaranty Agreement.

## Section 2. That to provide for the authorization of and to secure Industrial Development Revenue Bonds of the City under Act No. 9 in the total principal amount of not to exceed \$1,500,000, to provide for the immediate execution and delivery of the Series A Bonds in the principal amount of \$1,350,000, and to prescribe the terms and conditions upon which the bonds are to be secured, executed, authenticated, accepted and held, the Mayor is hereby authorized and directed to execute and acknowledge a Trust Indenture, and the City Clerk is hereby authorized and directed to execute and acknowledge the Trust Indenture and to affix the seal of the City

## thereto, and the Mayor and City Clerk are hereby authorized and directed to cause the Trust Indenture to be accepted, executed and acknowledged by the Trustee, with the Trust Indenture, which constitutes and is hereby made a part of this Ordinance, to be in substantially the following form, to wit:

## (Advice is hereby given that a copy of the form of Trust Indenture is on file in the office of the City Clerk, and reference may be had thereto by any interested person.)

## Section 3. That the Mayor and City Clerk, for and on behalf of the City, be, and they are hereby, authorized and directed to do any and all things necessary to effect the execution of the Trust Indenture, its execution and acceptance by the Trustee, the performance of all obligations of the City under and pursuant to the Trust Indenture, the execution and delivery of the bonds, and the performance of all other acts of whatever nature necessary to effect and carry out the authority conferred by this Ordinance and by the Trust Indenture. That the Mayor and the City Clerk be, and they are hereby, further authorized and directed, for and on behalf of the City, to execute all papers, documents, certificates and other instruments that may be required for the carrying out of the authority or to evidence the exercise thereof.

## Section 4. That since the City is here involved with the constructing and equipping of a complex industrial project, requiring highly specialized work and specialized types of machinery and equipment, it has been and is hereby determined by the Board of Directors that competitive bidding be, and the same is hereby, waived as to this particular industrial project. This action is taken by the Board of Directors pursuant to applicable laws of the State of Arkansas, including particularly Act No. 9.

## Section 5. That the Mayor and City Clerk for and on behalf of the City, be and they are hereby, authorized and directed to take all action, and execute and file all documents, necessary to perfect an election to proceed under Section 103 (c) (6) (D) of the Internal Revenue Code of 1954 to the end of insuring that interest on the bonds is exempt from federal income taxes.

## Section 6. That the provisions of this Ordinance are hereby declared to be severable, and if any section, phrase or provision shall for any reason be declared to be invalid, such declaration shall not affect the validity of the remainder of the sections, phrases or provisions.

## Sections 7. That all ordinances, resolutions and parts thereof in conflict herewith are hereby repealed to the extent of such conflict.

## Section 8. That there is hereby found and declared to be an immediate need for the securing and developing of substantial industrial operations in order to provide additional employment, alleviate unemployment and otherwise benefit the public health, safety and welfare of the City and the inhabitants thereof, and the issuance of the bonds authorized hereby and the taking of the other action authorized herein are immediately necessary in connection with the securing and developing of substantial industrial operations and deriving the public benefits referred to above. It is, therefore, declared that an emergency exists and this Ordinance being necessary for the immediate preservation of the public health, safety and welfare shall be in force and take effect immediately upon and after its passage.

# Traffic Claims Nine in Arkansas Hijacker Is Charged With Air Piracy

By THE ASSOCIATED PRESS  
Arkansas' traffic count soared to nine dead on the state's highways when three persons were killed in a two-car collision on Arkansas 22 in Ratcliff (Franklin County).  
The State Police identified the victims as Douglas Turner, 30, of Booneville, Wayne E. Carolan, 25, of Booneville and Joey Jack Redding, 32, of Ratcliff.  
Police said Turner and Carolan were passengers in a car driven by Willis Hester, 29, of Booneville, which crossed the center line of the road on a curve and struck the Redding car head-on. Hester was injured.  
Two children in the Redding car and a passenger in the other vehicle was also injured.  
One of the victims, Turner,

was a Booneville policeman. At least two of the other accidents this weekend were attributed to bad weather and slick highways.  
The fatality count began at 6 p.m. Friday and ended at midnight Sunday.  
State Police said Wilburn Powell, 39, of Cabot was killed early Sunday in a two-car crash east of Little Rock on Interstate 40.  
Two persons were killed and five others injured in a fiery crash on Arkansas 38, seven miles west of Des Arc Saturday night.  
Police identified the victims of that crash as Steve Thompson, 15, of Hazen and Larry McGhee, 16, of Hickory Plains (Prairie County).  
A Corpus Christi, Tex., man was killed Saturday in a massive pileup of cars and tractor-

trailer trucks on a bridge on Interstate 30, north of Arkadelphia.  
The victim was identified as Maurice Reeves, 48, who was a passenger in a car driven by Mrs. Mitzi M. Reeves, 36, also of Corpus Christi, Tex.  
State Police said the Reeves' vehicle had stopped just short of another accident, when a tractor-trailer rig skidded out of control behind the Reeves' car. The car was crushed by the truck.  
Richard M. Gentry, 54, of De Queen was killed Friday night when the vehicle he was driving went out of control on slick U.S. 71, three miles north of De Queen.  
Wilford Stokes Kemp Jr., 19, of Sheridan, was killed Friday night in a two-car crash east of Sheridan on U.S. 270.

## Charged With Air Piracy

NEW YORK (AP) — Garrett Brock Trapnell, shot and captured at Kennedy Airport after hijacking a transcontinental jet, faces arraignment today on a charge of air piracy.  
Trapnell, 33, recovering from gunshot wounds of the hand and upper arm, could receive the death penalty or a minimum of 20 years.  
The former mental patient took control of a Trans World Airlines jet with 101 persons aboard early Saturday and issued an array of demands, including \$300,000 in ransom and a conversation with President Nixon.  
Trapnell's history is said to include psychiatric treatment in nine hospitals, three escapes, piloting a stolen plane from California to the Bahamas and six bank robberies in Canada.  
Over an airline telephone circuit, Trapnell also demanded the release from prison of Angela Davis in California and a friend in Dallas, he said he wanted to be flown to Europe and to Texas; and insisted on talking to one of his former lawyers.

Hours after the plane landed here, an FBI agent boarded disguised as a member of a flight relief crew and shot Trapnell, ending the 7½-hour drama.  
Trapnell was described Sunday as "alert and stable" at Bellevue Hospital. He will be wearing a plaster cast on his left arm today, opposite of the cast from which he drew the loaded pistol while the plane was over the Midwest.  
A TWA spokesman said a metal detection device is used on a random basis for a majority of flights, but was not used on the hijacked Los Angeles-to-New York flight.

Planning Council of the churches in the two-state area. His condition worsened until the day of his passing.

Bishop Collins pastored Visitors Chapel AME Church at Hot Springs for eight years. He was transferred to Avery Chapel AME Church in Oklahoma City, Oklahoma, and from there to Union Bethel AME Church in New Orleans.

He was elected a bishop in the AME Church in May, 1960, in Los Angeles, California. He became President of the Council of Bishops in May, 1971. His term would have officially ended May 15, 1972.

He presided over the Arkansas-Oklahoma Area from 1964 to 1968. He was assigned to Florida in October, 1968, following the death of Bishop E. C. Hatcher.

Bishop Gibbs was elected to the Episcopacy in May, 1948 at Kansas City, Kansas. He was served the Seventh (South Carolina), Eighth (Mississippi and Louisiana), 16th (South America), 17th (South Africa), and his last assignment, the 13th (Tennessee and Kentucky).

The Right Rev. G. Wayman Blakely, a native Arkansan and former pastor of Bethel AME Church at Little Rock assumed the Presidency of the Council at Bishop Collins' death. He will be formally inducted into office on May 17, at St. Croix in the Virgin Islands.

The funeral of Bishop Collins was held Thursday, January 27, at 1:00 p.m. from the auditorium of St. Paul AME Church, Jacksonville, with Bishop John Douglas Bright of Philadelphia, officiating. Prior to funeral time, thousands of AME's filed past his bier as it lay in state in the Collins Student Union Building on the campus of Edward Waters College from Wednesday noon until funeral time on Thursday.

In addition to his widow, Bishop Collins is survived by three sons, Cortez of Boston, Mass., George N. Jr., of St. Louis, and William C. (Bill) a senior at Philander Smith College in Little Rock.

Burial took place at Jacksonville.  
Funeral services for Bishop Gibbs were held Friday, January 28, at 12:00 noon from the auditorium of St. Paul AME Church, Jacksonville.

## Told Peace Plan Has New Elements

By LEWIS GULICK  
Associated Press Writer

WASHINGTON (AP) — The State Department is telling U.S. diplomats around the world that President Nixon's Vietnam peace plan includes 12 "important new elements."

This account of the Nixon offer, cabled to all U.S. diplomatic posts abroad for use in explaining the plan, contrasts with Hanoi's portrayal broadcast over the weekend.

"The so-called 'generous offer' of Nixon on Jan. 25 is no novelty, but only part of the old U.S. scheme," said North Vietnam's official Communist party newspaper, Nan Dan, in a long commentary entitled "Nixon talks peace in order to continue war."

"It only repeats the previous proposals which have been rejected," the Hanoi analysis said.

The Viet Cong was quoted Monday as saying the peace offer is "an extremely perfidious maneuver aimed at soothing public opinions of the United States and the world ...." Peeking's official news agency said Communist forces "will step up

the fight."  
Nixon strategists declined to rate the denunciations as a rejection of the proposals. U.S. officials suggested China is mainly trying to show support for her North Vietnamese ally, and they continued to profess some encouragement from the lack of a flat Hanoi turnaround when the Nixon offer was presented at Paris Thursday.

The State Department cable pulls together ingredients from last week's statements by Nixon and presidential adviser Henry A. Kissinger on the eight-point U.S. plan, saying the offer is flexible and negotiable and "a serious effort to bring peace to Indochina."

Kissinger pictured as main new elements in Nixon's plan the offers to pull U.S. and allied forces out of South Vietnam within six months provided there is a cease-fire and prisoner release, and to hold new South Vietnamese elections with President Nguyen Van Thieu stepping down a month before the vote.

### Two AME Bishops Die Same Day

The million and a half member African Methodist Episcopal Church buried two of their bishops last week in the same town, state, and from the auditorium of the same church.  
Dead are: Bishops Carey A. Gibbs and George N. Collins, both of Jacksonville, Florida.

Bishop Collins, former Bishop of the Arkansas-Oklahoma Area of the denomination, was President of the Council of Bishops at the time of his untimely demise. He was killed in an automobile accident early Friday morning, January 27, enroute to his Episcopal residence in Jacksonville, Florida, on a Florida highway. His wife, Mrs. O. B. Collins, is in critical condition in a hospital. Another woman passenger in the car with the Collins was killed also.

Bishop and Mrs. Collins and their companion were returning from New Orleans, Louisiana, where they had attended the Wednesday night funeral of Dr. Luttrell Long, Pastor of Union Bethel AME Church, one of the best known preachers in the AME Connection and a candidate for the Bishopric Honors in 1972.

We were told that Bishop Collins was to have officiated at a second funeral and burial for Dr. Long in Florida (his Dr. Long's native state) at 2:00 p.m. on Friday, January 21, the same day he was killed.

On this same day at Jacksonville, Bishop Carey A. Gibbs, Presiding Bishop of the 13th Episcopal District, comprising the states of Tennessee and Kentucky, died following a short illness.

Sources said that Bishop Gibbs was stricken in November during the session of the Annual

then the new Kroger supermarket is tailor-made to fit your needs.

The new Kroger supermarket at Hope which opens tomorrow has the friendly spirit of an old-fashioned general store but in the most modern of settings, according to Mr. Long, Vice President of the retail food company's division which operates stores in this area.

Of course, it has many features undreamed of in Grandma's day, he points out.

To begin with, the store is nearly 16,000 square feet in size, and it is adjoined by a 250-car parking lot, as befits today's mobilized age.  
Mr. Long recalled that Kroger opened their very first "Supermarket" in the state of Arkansas here in Hope at 419 South Main Street on September 1, 1946 and have been serving Hope shoppers ever since. Mr. Long continued by stating that as of Thursday, October 28, 1971, with the Grand Opening of the Corn Belt Feed Mill, there are now 1,100 families in the metro Hope area that are associated with Corn Belt, a subsidiary of Kroger.

Think it might be nice to have doors that opened automatically, an ever-ready supply of crushed ice, and telephones spotted all over the house for communication with the pantry? This isn't a look at the year 2000—it's 1972, and the locale is the new Kroger supermarket in Hope. "It's convenience-planned," Mr. Long explained.  
A panorama of color and a carnival air will greet shoppers at the Kroger supermarket in Hope when it opens Tuesday, February 1, at 8:45 a.m. The 16,000 square foot store will contain many unusual features, planned to make shopping easier and more pleasant.

The decor of the new Kroger store is planned for the ladies, too. Each department can be identified by its color—buttery yellow to back dairy products; spring green for fresh fruits and vegetables; hearty cherry wood-toned backing for meats.
